Supporting Evidence: Mr. Roullier violated conditions of his supervised release by consuming methamphetamine on or about April 30, May 15, 17, 21, 30, 2012. On the noted dates, the offender was instructed to appear at either Pioneer Human Services or the U.S. Probation Office, for urinalysis testing. Special Condition #18: You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

Supporting Evidence: Timothy Roullier violated conditions of his supervised release by failing to appear as directed for a substance abuse evaluation on May 14, 2012. The offender initially appeared on May 9, 2012, to participate in a substance abuse evaluation. He was instructed to return in order to complete the afore-mentioned evaluation on the noted date. On May 15, 2012, the offender appeared in the U.S. Probation Office as directed by the undersigned officer. The above-mentioned failures to appear for evaluation purposes were addressed with the offender. He admitted that he willfully decided against appearing at Pioneer Human Services for assessment purposes. Eventually, the offender agreed to participate as directed by the chemical dependency provider. Mr. Roullier completed the evaluation process on or about May 16, 2012.

The U.S. Probation Office respectfully recommends the Court issue a summons for requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
